LA SOURCE ★★★★★ (All-Inclusive)

LOCATION

Perched on the southern tip of Grenada and five minutes from Our International Airport, LaSource is located on secluded Pink Gin Beach.

THE PROPERTY

The resort with it's one hundred guest rooms set in an enclave of tropical gardens is surrounded by the sea on three sides and offers an all exclusive holiday of rejuvenation. LaSource believes that pleasure is a great way to achieve body-mind harmony, which is why its four restaurants and three bars serve delicious food and drink with great variety, style and grace from an award-winning chef. The resort itself is a place of extraordinary beauty with three pools, a nine hole golf course and architectural design of the first order. Included for your pleasure are premium label drinks, complimentary daily spa treatment (except day of arrival), Yoga, t'ai chi and meditation. A whole of land sports aswell as water sports including water skiing; Hobie Cats, kayaking etc. Certified scuba divers receive one dive per day, non certified guests receive a 'try dive'.

ROOMS

Seasoned travellers have described the rooms as tasteful havens of luxurious and elegant comfort that are rarely surpassed in the Caribbean. Rooms have a colonial feel that invites visions of the island history with jalousied wooden shutters rather than curtains providing shade from the brilliant Caribbean sunlight. Ceiling fans gently move the air (AC also in the rooms). Cool marble underfoot feels opulent while hand carved mahogany furniture adds warmth, as does a 4-poster king size bed (or a choice of two double beds) with off white bedspreads that add to the antique feel. Generous room size gives you desirable space, while a private balcony or terrace takes you outside to a view of the sea or our fabulous gardens.
